The Parish Council was donated a Cabinet by The British Heart Foundation but unfortunately it was not fit for purpose as does not have a lock. It was asked and agreed that the purchase of a suitable cabinet be purchased to house the defibrillator in partnership with Kirkby La Thorpe's Primary School, Friends of School. It was proposed by Cllr Parker and agreed unanimously that the Parish Council would offer £350 towards the purchase of the Cabinet and then give a donation of £150 to the British Heart Foundation.

Awaiting an update from Friends of School to confirm they are happy to house and pay for the up electricity to the box once fitted to the school fence. Once it has been agreed then a quote will be sought for the work to be completed and get the box and defibrillator fitted.
